PROFILE

Senior Unity Engineer with 7+ years of experience architecting and developing games, AR/VR solutions, and metaverse applications—powering products with 1M+ downloads. Skilled in leading end-to-end project development, from technical design to deployment. Expert in Unity, C#, and Mixed Reality, with a passion for building scalable systems and intuitive, immersive experiences. Open to full-time, freelance, and consulting roles.

SKILLS

Unity Game Engine	C#	Augmented Reality	Virtual Reality
Java	C++	Android Studio	X-Code

PROFESSIONAL EXPERIENCE

Team Lead | Unity Consultant | Freelancer

SELF-EMPLOYEED/CONTRACTUAL ROLES 09/2024 - current Remote/On-Site

- Led end-to-end development of a cross-platform Medical XR MVP for Meta Quest 3 (VR) and WebGL, enabling immersive doctor–patient consultations.
- Implemented real-time multiplayer with custom tools for 2D/3D dental scan visualization, enabling synchronized doctor–patient interactions and improved clinical communication.
- Partnered with global stakeholders to architect and integrate RESTful services for dynamic data visualization and session synchronization, and led technical deployment and live showcase execution at GITEX Global 2025, Dubai.
- Developing industrial XR training modules to support real-time metro service inspection workflows, improving operational efficiency.

Senior Unity Developer

INVINCIBLE OCEAN PVT LTD 10/2023 - 05/2024 Gurgaon, Haryana

- Worked on various Unity WebGL based application for metaverse ecosystem such as Eternity City, VR Mall, VR Bank, etc.
- Worked on WebGL build optimization and engineering.
- Research & development for Extended Reality application.
- Integrated AI tools like Convai for conversation with NPC
- Mentored and trained newly recruited developers in mastering Unity Development.

Lead Unity Developer

THREYE INTERACTIVE PVT LTD 02/2020 - 07/2023 Dwarka, Delhi

- Sprint Planning and management, delegation of task to team members.
- Development of Mixed reality applications including features like 3D content authoring via custom made tools based on Unity Timeline feature.
- Created code architecture and defined schema for client-server based application.
- Develop and program complete game Meta system including features like aircraft upgrade system, player's economy, chest system.
- Integrated In-App purchase & Ads placement and monetization which resulted in generating decent revenue.
- Manage playfab server for user database management and its features like A/B testing for decision making between multiple variants of IAP's value based on real user data which resulted in increased revenue by 40%.
- Integrated and handle the Photon Multiplayer Networking PUN2 for multiplayer features.

Unity Developer

CREATIOSOFT PVT LTD 06/2018 - 02/2020 Noida, UP

- Developed multiple 2D and 3D games such as Throw a Ring, Bowling, VIP Vegas Slot.
- Implemented Sounds, Animations, UI Screens and Popups functionality.
- Integrated 3rd party plugins like Ads plugin, Survey plugin, etc.
- Responsible for managing Build Engineering for android and IOS platform.

PROJECTS

IDEX Project

Designed architecture and tools for AR/VR content authoring on devices like HP Reverb G2, HTC Vive Pro, and Hololens 2. Collaborated with the **Indian Air Force** to develop immersive daily inspection training simulations.

Fighter Pilot : Heavyfire

An **IGDC** award winning game, led the developers team and created complete game meta architecture.

Fighter Vs Bomber

Created game architecture and implemented many feature that involved multiplayer behaviours.

VIP Vegas Slot

Implemented UI screens and gameplay features.

<https://apps.apple.com/us/app/vegas-vip-slots-casino-games/id1471325236>

Throw A Ring

Implemented the gameplay and integrated In-app purchase.

Bowling

Implemented the bowling gameplay and its scoring mechanics.

EDUCATION

Bachelor of Technology (Computer Science and Engineering)

IIMT College of Engineering, Dr. A. P. J. Abdul Kalam Technical University

07/2013 - 06/2017

Greater Noida, UP

CERTIFICATIONS

Java and J2EE Certification

INCAPP, Greater Noida

01/2017 - 08/2017

Diploma in Computer Application and Programming

ESTC-ACEL, Ramnagar

07/2011 - 06/2012
